MINOR TREATMENT POLICY

For patients under the age of 16, parents **MUST** be present at the office during the dental treatment in case an emergency or questions arise during treatment. For patients ages 16-17, we would prefer the presence of their parent during their dental treatment and at least require signature of parental consent allowing us to perform any treatment we deem necessary. The signature of this consent also acknowledges that the parent is responsible for cost of all dental treatment of the minor we deem necessary and also for notifying our office any changes in the minor's medical history prior to the minor's dental treatment.
